### 8. How do I register to compete?

# 2025 KUKKIWON WORLD TAEKWONDO HANMADANG RULES

## Updated 5/30/2025

Participants **MUST** register online. There are absolutely no paper registrations or at the door registrations. Athletes must register to compete in the 2025 Kukkiwon World Taekwondo Hanmadang under a Dojang (Taekwondo School). Athletes cannot register simply as an individual.

The Organizing Committee created this policy in cooperation with law enforcement to help prevent individuals entering from outside the United States under false pretenses. This step of validating that athletes train at an actual Taekwondo school allows us to prevent illegitimate athletes from registering for the 2025 Kukkiwon World Taekwondo Hanmadang.

For U.S. athletes, each state will have a "Dojang" for your state that is designed for athletes that are independent and not training with a Dojang. For example, "California Independent Athletes Dojang." Independent athletes can register under the state independent "Dojang."

If you are a legitimate international athlete, please email [info@worldhanmadang.com](mailto:info@worldhanmadang.com) to determine other options to register as an athlete. The organizing committee can create a "Dojang" for countries as well. For example, "Korea Independent Athletes Dojang."

If you are an international athlete that needs help with an invitation letter to obtain a visa visit our website [www.worldhanmadang.com](http://www.worldhanmadang.com) for the full policy.

Only the Dojang Owner (or authorized representative of the Dojang) can enter a Dojang into the registration system. To add your dojang please email [info@worldhanmadang.com](mailto:info@worldhanmadang.com)

Each Dojang should assign 2 contact people as administrators for the Dojang. The administrators will have access to the list of all athletes and events registered under the Dojang.

## 9. Can participants wear shoes?

Shoes are **NOT** allowed for any events. However, if shoes are medically required, please bring a written doctor's note that states shoes are required for participation. This note will need to be submitted to the Holding Area Manager prior to your event.

## 10. What are the age divisions and participant gender specifications?

Age should be determined as of **Thursday, July 17, 2025**. The age divisions vary depending on each event. Please reference the specific rules for each event to find out the age divisions.

All Taekwondo events will be separated into **MALE** and **FEMALE** except for the following:

1. Pairs Traditional Forms (PTF)
2. **Authorized Poomsae Pair (Pair Traditional Forms Elite)** (PTFE)
3. Team Traditional Forms (TTF)
4. Team Creative Forms WITH Weapons (TCFWW)
5. Team Creative Forms WITHOUT Weapons (TCFWO)
6. Creative Poomsae **Group** (Team Creative Forms without Weapons Elite) (TCFWOE)
7. Team Competition (Team Demonstration Arirang) (TDA)
8. Team Demonstration Elite (TDE)
9. Team Demonstration Recreational (TDR)
10. Taekwondo Aerobics (TA)

There is **NO Guarantee** that every division can be broken up under the above guidelines as the divisions are dictated by the number of athletes in each category. The Organizing Committee will separate each category by age, weight, and ability at the discretion of the Organizing Committee for the safety of each participant.

## 11. How many participants will be in each division?

The Organizing Committee will divide divisions to be as fair as possible for all participants with the discretion to create divisions outside these guidelines, if necessary. Each division will have a maximum of 8 participants. Gold, Silver and Bronze medals will be awarded to 1<sup>st</sup>, 2<sup>nd</sup>, and two (2) 3<sup>rd</sup> places. In addition to a medal, each participant will receive an AWARD CERTIFICATE

that will display the event name and place. (TAEKWONDO example: John Smith, Individual Traditional Forms, 6-7 years old, 1<sup>st</sup> Geup, 1<sup>st</sup> place)

All RECORD KEEPING events (listed below) and ELITE events will **NOT** have a maximum of 8 per division. Each division will be broken down by age and belt level and **MAY** have more than 8 per division. For example, the Child division (age 8-9) 1<sup>st</sup> Poom has 16 participants registered. It will **ONLY** be ONE division of 16 participants. First, second and two (2) third place medals will be awarded.

1. All-round breaking (Individual Creative Breaking Elite) (ICBE)

14. Taekwondo Aerobics (TA)
15. Self Defense Individual (SDI)
16. Self Defense Group (SDG)
17. Speed Breaking (SB)

All athletes that do not earn 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> place in any event will receive one (1) Best Spirit Medal regardless of how many events they participate in. For example, if an athlete competes in three (3) different events and does not earn 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> in any of the 3 events, that athlete will receive one (1) best Spirit medal (not 3). Best Spirit medals can be picked up at the Certificate printing/Award podium area.

## 12. Is there a maximum number of events for each participant?

Yes, a participant can participate in a **maximum** of five (5) events. Additionally, a person cannot register for the same event more than once. (For example, a participant CANNOT be on 2 Team Traditional Forms teams.) The more events a person participates in, the more likely the chance of scheduling conflicts. The Organizing Committee will work hard to ensure participants will not be scheduled to perform in 2 separate events at the same time.

## 13. Can I referee and compete?

Referees cannot participate in the 2025 World Taekwondo Hanmadang.

## 14. What happens if I do not show up to the Holding area when I am called to compete?

## 2025 KUKKIWON WORLD TAEKWONDO HANMADANG RULES Updated 5/30/2025

of three (3) times to appear, the participant will be disqualified from the competition with no refund. The only exception to this is if the participant is already on the competition floor competing in a different division.

### 15. What does the term “Geup” mean and what is my “Geup”?

Geup is a Taekwondo term used for belt ranks. Rather than say “Yellow Belt”, a person would say “9<sup>th</sup> Geup”. Typically, the lower the Geup, the closer the person is to 1<sup>st</sup>-Degree Black Belt. (For example, a 1<sup>st</sup> Geup is the level before 1<sup>st</sup>-Degree Black Belt.) ***Each participant should speak with his or her Master Instructor to determine their Geup level.*** Each taekwondo school has a unique belt ranking system.

A SAMPLE Geup conversion chart is listed below. However, this chart is NOT intended to serve as a universal chart.

## 2025 KUKKIWON WORLD TAEKWONDO HANMADANG RULES Updated 5/30/2025

1. Each participant will have one attempt to break with a Skipping Side Kick in an area approximately 1 meter x 3.5 meters. Both of the participant's feet must remain in the area of 1 meter x 3.5 meters. This board breaking event will incur an additional flat fee of \$20. Each board breaking event incurs this fee.
2. The participant will attempt to break 3/4 -inch pine boards with no spacers. The dimensions of the boards are 8 inches x 11 inches and 3/4 inch thick. Boards may not be taped together. Athletes CANNOT sort through the boards to select boards. The referee will hand each participant their requested number of boards. If there is an egregious defect (staple in the board, pre-existing damage, etc.) a board can be switched. This exchange of a defective board is at the discretion of the referee.
3. Once the referee declares "Si Jak" (begin), the participant may not touch the boards to readjust or measure. Any touch of the boards will be considered the one(1) and only attempt. The participant's break must be done within 30 seconds.
4. The participant must use the heel of the foot/foot blade. The Side Kick can be executed with the front or back foot. A side kick can be executed with a maximum of two (2) steps or a skipping motion. It is considered a successful attempt if the non-breaking leg is off the ground when contacting the board. The middle of the boards must be at least as high as the participant's waist for Skipping Side Kick breaking.
5. Participants may not cover the breaking foot with any bandages, tape or any other material. The referee must approve any injuries that may need to be covered.
6. Each participant must PRIVATELY complete a form that states the number of boards he or she will attempt to break prior to the start of the division.
7. The participant who breaks the most boards will be declared the winner. After the attempt the referee will shake a board(s) that are not clearly broken one (1) time. After the shake of the board(s) the referee will determine if it will count as a broken board.
8. If two or more participants break the same number of boards, the participant who attempted to break the greatest number of boards will receive a higher score. (For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 4 boards and succeeds in breaking 4. Therefore, Participant #1 will receive the higher final position within the division, because they attempted to break more boards)
9. In the event of a tie for 1st place only (If there is a tie for 2nd or 3rd place there will be multiple 2nd and 3rd places awarded), there will be 1 overtime round. (Add 1 additional board ). If there is overtime, both participants will be required to use the same breaking machine (in overtime only) to attempt the board break.
10. If there is still a tie at the end of the overtime round, the winner will be declared by body weight. (The lightest person will be declared the winner.) A scale will be provided at the event. A tie in an overtime situation can be any of the following:
  - A. Participants both break the same number of boards
  - B. Participants both cannot break any of the boards
11. During overtime – if both participants attempt to break the same number of boards but neither participant breaks ALL of the attempted boards, the participant who breaks more boards will be declared the winner. (For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 5 boards and only 3 boards break. Therefore, Participant #1 will receive the higher final position within the division, because he or she broke more boards)
12. If both participants do NOT break the boards but it still results technically to overtime, one additional board will NOT be added. In this situation, the participants will either both attempt the same number of boards OR 1 board will be removed. For example, Participant #1 attempts to break 5 boards and breaks no boards. Participant #2 attempts to break 5 boards and breaks no boards. This is technically a tie. Rather than adding 1 board and both Participant #1 and Participant #2 attempt to break 6 boards, the Participants will either each attempt to break 5 boards again or each attempt to break 4 boards. This decision will be at the discretion of the referee.

## 2025 KUKKIWON WORLD TAEKWONDO HANMADANG RULES

### Updated 5/30/2025

1. Each participant will have one attempt to break with a Turning Back Kick in an area approximately 1 meter x 3.5 meters. (Taking a step before turning is allowed.) Both of the Participant's feet must remain in the area of 1 meter x 3.5 meters. This board breaking event will incur an additional flat fee of \$20. Each board breaking event incurs this fee.
2. The participant will attempt to break 3/4 -inch pine boards with no spacers. The dimensions of the boards are 8 inches x 11 inches and 3/4 inch thick. Boards may not be taped together. Athletes CANNOT sort through the boards to select boards. The referee will hand each participant their requested number of boards. If there is an egregious defect (staple in the board, pre-existing damage, etc.) a board can be switched. This exchange of a defective board is at the discretion of the referee.
3. Once the referee declares "Si Jak" (begin), the participant may not touch the boards to readjust or measure. Any touch of the boards will be considered the one (1) and only attempt. The participant's break must be done within 30 seconds.
15. The participant must use the heel of the foot/foot blade. A back kick can be executed with a maximum of two (2) steps or a skipping motion. It is considered a successful attempt if the non-breaking leg is off the ground when contacting the board. The middle of the boards must be at least as high as the participant's waist for Skipping Side Kick breaking.
4. The middle of the boards must be at least as high as the participant's waist for Turning Back Kick breaking.
5. Participants may not cover the breaking foot with any bandages, tape or any other material. The referee must approve any injuries that may need to be covered.
6. Each participant must PRIVATELY complete a form that states the number of boards he or she will attempt to break prior to the start of the division.
7. The participant who breaks the most boards will be declared the winner. After the attempt the referee will shake a board(s) that are not clearly broken one (1) time. After the shake of the board(s) the referee will determine if it will count as a broken board.
8. If two or more participants break the same number of boards, the participant who attempted to break the greatest number of boards will receive a higher score. (For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 4 boards and succeeds in breaking 4. Therefore, Participant #1 will receive the higher final position within the division, because they attempted to break more boards)
9. In the event of a tie for 1st place only (If there is a tie for 2nd or 3rd place there will be multiple 2nd and 3rd places awarded), there will be 1 overtime round. (Add 1 additional board ). If there is overtime, both participants will be required to use the same breaking machine (in overtime only) to attempt the board break.
10. If there is still a tie at the end of the overtime round, the winner will be declared by body weight. (The lightest person will be declared the winner.) A scale will be provided at the event. A tie in an overtime situation can be any of the following:
  - A. Participants both break the same number of boards
  - B. Participants both cannot break any of the boards
11. During overtime – if both participants attempt to break the same number of boards but neither participant breaks ALL of the attempted boards, the participant who breaks more boards will be declared the winner. (For example, Participant #1 attempts to break 5 boards and only 4 boards break. Participant #2 attempts to break 5 boards and only 3 boards break. Therefore, Participant #1 will receive the higher final position within the division, because he or she broke more boards)
12. If both participants do NOT break the boards but it still results technically to overtime, one additional board will NOT be added. In this situation, the participants will either both attempt the same number of boards OR 1 board will be removed. For example, Participant #1 attempts to break 5 boards and breaks no boards. Participant #2 attempts to break 5 boards and breaks no boards. This is technically a tie. Rather than adding 1 board and both Participant #1 and Participant #2 attempt to break 6 boards, the Participants will either each attempt to break 5 boards again or each attempt to break 4 boards. This decision will be at the discretion of the referee.
